Assistant Superintendent for Administration

RE: Report of 2018-19 Variance Requests

DATE: August 23, 2018

The following information summarizes (to date) the number of variances requested for the 2018-19 school year. These include Childcare Variances, Childcare Benefit Program for Employees, Attendance Zone Variances, Administrative Approved Variances, and Notarized Statements for Registration. Of these variance requests, there were four denied childcare variances, two of which were subsequently appealed and approved. Eleven requests for administrative variances were denied. In addition, eight custody / guardianship cases have been processed.
